NHS Cornwall and Isles of Scilly Integrated Care Board's response to information request

Date request received: 2 June 2026
FOI ref: 107030
Date response sent: 16 June 2026

Requested information

Under the Freedom of Information Act 2000, I am writing to request specific details regarding your ICB's implementation of the Women's Health Strategy (2022). This strategy pledged that female same-sex couples would no longer have to self-fund multiple IUI cycles before accessing NHS IVF. In practice, this means providing direct NHS IVF funding without prior private self-funded IUI.

Could you kindly confirm:

Whether your ICB has fully implemented this removal of financial barriers.

If so, the date on which this implementation occurred.

If not, the reasons for delay and any planned timeline for full implementation.
