NHS Devon ICB Right to Choose Provider Autism Assessment Tariff

1. Adult NHS Devon ICB Right to Choose Autism Assessment Tariff

1.1 Autism Assessment Tariff

The below tariff is for an Autism assessment with psychological Education/coaching

Activity/Appointment Type	
ASD Assessment Triage of referral Administration costs Autism Diagnostic Assessment and outcome report Discharge of patient Appointment DNA/engagement	
Modality	**Price**
Face to face	**£1,150**
Virtual	**£1,050**

Invoices for payment will be made following discharge after the Outcome Report has been completed and sent to the referrer.

No payment to be made for patients who do not complete the pathway to the point of diagnostic assessment and outcome report.

The tariff has been determined so that the price for completed episodes of assessment is at a sufficient level to compensate for incomplete episodes where a charge cannot be applied and to minimise invoicing. In recognition of this, **payment of DNAs is not supported as a separate charge.**
