Response

Q1 Please list your Right to Choose providers for neurodiversity (ND) (ASD and/or ADHD) services (who have provided a service to at least one patient in your ICB since 1*st* April 2026), including name of service and the name of provider.

NHS Cornwall and Isles of Scilly (CIOS) contract directly with Cornwall Partnership NHS Foundation Trust (CFT) only for ND services. CIOS currently does not have any providers accredited under the RTC scheme. Patients can also be seen by other RTC ND providers via non-contracted activity (NCA) if that provider holds a qualifying contract with another ICB.

Q2 Which of these ND providers are paid in accordance with the NHS England ND Tariff guidance. Please detail for all categories e.g. ADHD/ASD, CYP/Adult, F2F/Virtual, Assessment/Titration/Maintenance, SCA/Non-SCA.

For the CFT the annual value of the service is not separately identifiable from the block amount in the current finance construct. Contract start date 1 April 2026 – 31 March 2029.

RTC NCA providers are paid in accordance with the host commissioner contract and that tariff is determined by that commissioner.

Q3 Which of these ND providers are not paid in accordance with the NHS England ND Tariffs, which Providers are above or below and for which of the NHS England ND Tariffs and what alternative guidance, if any, that applies.

For Cornwall and Isles of Scilly ICB, RTC NCA providers are paid in accordance with the host commissioner contract and that tariff is determined by that commissioner.

Q4 If applicable, please provide the guidance you use for tariffs under your accreditation scheme.

For the CFT contract - The annual value of the service is not separately identifiable from the block amount in the current finance construct. Contract start date 1 April 2026 – 31 March 2029. CIOS currently does not have any providers accredited under the RTC scheme.

Q5 If applicable, which accredited ND providers are compliant with, under, or above, the tariffs.

Please see response to Q2.
