2. **The number of pharmacies which have signed up to provide each service**

3. **The payment mechanism and payment rates for each service, including whether payment is made through a block contract, fixed retainer, fee per activity/intervention, or another arrangement. Where applicable, please provide the individual fees or rates payable**
4. **The total spending (including fixed retainers and activity-based payments) for each service for the last full financial year in which it is available. If the service is provided under a block contract, please provide the annual contract value for the most recent financial year available**
5. **The start and finish date of the contract**
